

Does this describe you?

You have been a Christian for more than two years.

You have a really good relationship with God but you would really like to grow to know Him even more.

You believe God's Word and want to obey Him completely.

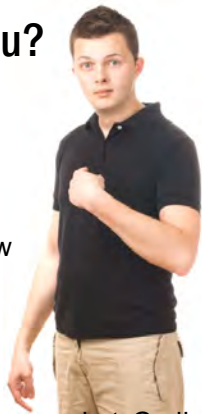

You pray often and want to know what God's will is for your life.

You want to really make a difference in this world, not just talk about it.

You would like to share your faith with others but just don't know how or what to do.

You wish you could be more prepared to help in your church with ministries and missions opportunities.

You love going on youth trips during the summer but wish they had more impact in the lives of other people.

CYIA may be God's answer to your prayers!

**Impact Your Community
for Christ This Summer!**

What is Christian Youth in Action?

Christian Youth in Action® (CYIA™), is a missions program specifically designed for high school students and young adults. CYIA provides, training, materials, and ministry opportunities to help students confidently share their faith with children in their very own communities by teaching 5-Day Clubs throughout Southern California.

What is a 5-Day Club?

During the summer months children gather in backyards, community centers, parks, and other locations for five consecutive days to hear the Gospel clearly presented through Bible lessons, a missionary story, exciting games, songs, and activities. The 5-Day Club® can be compared to Vacation Bible School on the road. You will receive training through CYIA on how to conduct a 5-Day Club and also teach a club during that week of training. You will then return to your own community to teach two more 5-Day Clubs during the summer to receive a certificate of completion. Each summer thousands of children around the world come to know Christ through 5-Day Club!

Where is the training held?

Some of your training will be held at your local CEF chapter. However, **June 25-July 1, 2022**, the main CYIA training is held at **Hope International University**.

How much does it cost?

To reserve a student's spot, an initial donation of \$50 is requested. It is requested that each student helps raise an additional \$450 which goes towards the cost of materials, training, meals and lodging. Your local CEF representative will help you discover ways of inviting others to invest in the CYIA program to cover some of the expenses.

When is the Application due?

The initial \$50 donation and online application are due **June 1, 2022**. For the timely support of the program, it is requested that all additional donations be made by June 25, 2022.

Apply online at: www.cefsoca.com.

Who will I expect to serve with?

Students serving in CYIA come from different church backgrounds throughout Southern California. They are a beautiful blend of color, interests, personalities and talents.

Each person who serves has a place to be an encouragement to other students while preparing for the mission to reach children with the Gospel.

How will I grow in my relationship with God?

You will discover God's design for you through engaging class time, inspiring chapel, leadership development principles, and practical hands on training to complete your course. You will learn how to effectively share the Gospel with children. It will be a summer unlike any other!

"I thank God for Christian Youth in Action! The training I received and the friendships I gained were great, but they are small compared to leading a child to Jesus. This is a summer I will never forget!"
